INFORMATION PACKET

The School of St. Therese of Deephaven

Dear St. Therese School Families,

Happy Summer from an active St. Therese Catholic School campus! As I write this we have hundreds of young children either leading or participating in our parish Vacation Bible School on the field. It is so fun to see so many school children after having been out of school for a couple of weeks. I think they have all grown already! I pray that you all are settling into a wonderful summer with your family and enjoying the sunshine, longer days and change of pace!

I want to thank you again for your continued incredible partnership with our team here at St. Therese Catholic School! As we continue to work together in our mission of Catholic education at St. Therese, we grow closer to Christ and truly shine as a community. I am grateful for you!

Thank you for reading the information included in this packet carefully. It contains important information for the 2022-2023 school year, including dates, policies, procedures, and ways you can help support our students.

Here are a few important dates you need to be aware of.

Our **New Family Welcome** will be held on **Wednesday, August 24 at 5:00 p.m.** likely on the lawn adjacent to the Outdoor Learning Center.

Our **Back-to-School Open House** will be held on **Thursday, August 25 from 2 p.m. to 6 p.m.** This is the time to hopefully visit classrooms, meet teachers, drop off school supplies, turn in completed forms, shop at the used uniform store, pick up spirit wear and sign up for volunteer opportunities. Bring your checkbook, your pen, and your calendar.

The first day of school is Tuesday, August 30! Our school day is 7:35am-2:10pm. As we finalize the details of an Opening Prayer Ceremony on August 30th and Opening School Mass on August 31st, we will communicate those details, so parents can join.

All volunteers must be Essential 3 qualified before being allowed to work or volunteer with children, with no exceptions, this includes recess duty. Additional information about Archdiocesan child safety requirements is included in this email.

Parent Information Nights will be Monday, September 12th (K-5) and Thursday, September 15th (Middle School). We will begin both nights at 6:00 p.m.

I pray that you and your families are enjoying your summer and enjoying time growing closer together and closer to Christ. Please feel free to reach out if you need anything.

Sincerely,

Adam Groebner, Principal

VOLUNTEER INFORMATION

July 2022

Dear Parents and Friends of St. Therese School,

Keeping kids safe is of highest importance at St. Therese Parish and School and throughout our Archdiocese. All clergy members, employees, and volunteers who interact with minors or vulnerable adults must complete the Archdiocesan Essential 3 requirements before beginning to serve. **Only those who are E3 qualified will be allowed to volunteer in any capacity next year.** This means all coaches, field trip chaperones, overnight trip chaperones, front desk parents, classroom volunteers, Fall Festival workers, library volunteers, middle school play volunteers and anyone who interacts with children must be fully compliant before beginning their volunteer hours.

Currently, about 25% of our school parents are E3 qualified. In order to maximize our full potential, I am asking ALL St. Therese parents to comply with the Archdiocesan requirements so your gifts and talents can be utilized to enrich the lives of our students through your volunteer efforts.

To become E3 qualified, a volunteer must complete the following:

- **Participate in the initial VIRTUS training module (replaces the 3-hour live class)**
- **Complete a standard background check and 123b background check**
- **Sign and adhere to a volunteer Code of Conduct form (online)**

If you are new to the VIRTUS system, set up your account by going to www.virtusonline.org, and click on "first time registrant" and follow the directions. Please note that you have 30 days from account sign-up to complete the E3.

If you have completed VIRTUS training in the past, you can go to the website above to check and update your account information, making sure your email address and phone number are correct. If there are training modules to complete, please do so before school starts.

Background checks can be started online through your VIRTUS account. Please know that these are completely confidential. Please complete this form carefully. It is not complete until you have entered your SSN#. There is a paper form called a 123B that needs to be printed, signed, and returned to our Safe Environment Coordinator (you may turn it in at the school office). You are not considered qualified until all background check results have been reviewed.

The Code of Conduct lays out best practices for keeping children safe *and* for protecting yourself. This can be signed online through your VIRTUS account as well.

If you completed the Essential 3 at another parish, please let us know so we can verify and record for our Archdiocesan compliance reporting.

Thank you for your cooperation in this important matter. These requirements have been developed for the safety of our children *and* for the protection of our wonderful volunteers. We rely on your help but cannot allow you to serve until you have completed the Essential 3. Please take the time to complete all three components before school begins or early in the school year.

More information on our Safe Environment program can be found on the parish website, at <https://www.st-therese.org/safe-environment>. You may also contact our Safe Environment Coordinator, Mary Dobson, at mdobson@st-therese.org with any questions.

Thank you!

ARCHDIOCESE
OF
SAINT PAUL &
MINNEAPOLIS

July 13, 2015

Dear Clergy, Chancery Corporation Staff, Parish and Catholic School Employees, and Volunteers,

Thank you for all that you do in service of the Church!

The Archdiocese of Saint Paul and Minneapolis, along with other dioceses throughout the United States, has enacted policies to address clergy sexual abuse and to ensure safe environments for our children, youth and vulnerable adults. The Charter for the Protection of Children and Young People, first issued in 2002 (and revised in 2005 and 2011) by the United States Conference of Catholic Bishops, mandates that dioceses have clear standards of conduct, safe environment training programs, and background evaluations for all persons in positions of trust with regard to minors or vulnerable adults.

In our Archdiocese, all clergy, chancery corporation staff, parish and Catholic school employees, as well as volunteers who have either regular or unsupervised interaction with minors or vulnerable adults, must complete the “Essential 3” requirements prior to commencement of service. The Essential 3 consists of signing a *Code of Conduct*, completing safe environment training through the VIRTUS: *Protecting God’s Children* program, and undergoing a background check. (All information you provide for a background check will be kept confidential by your parish or Catholic school, as well as the Archdiocese).

Our responsibility to create and maintain safe environments is not a one-time obligation; it is an ongoing commitment that must evolve to meet national best practices for ensuring the safety of children, youth and vulnerable adults. To that end, beginning in 2015-2016, these Essential 3 requirements must be renewed every three years by all clergy, chancery corporation staff, parish and Catholic school employees, and volunteers who have either regular or unsupervised interaction with minors or vulnerable adults. The Enhanced Essential 3 re-credentialing process consists of signing a revised *Code of Conduct*, safe environment retraining, and satisfying a background recheck.

You will be contacted by the Archdiocese, your supervisor or your Safe Environment Site Coordinator when you are required to complete the Enhanced Essential 3 requirements and provided with instructions for completing this re-credentialing. I appreciate your cooperation in this process.

Together, we must do all we can to protect God’s children, particularly the most vulnerable among us. I am grateful for your service to the Church and your partnership in these efforts.

Sincerely in Christ,

Most Reverend Bernard A. Hebda
Apostolic Administrator
Archdiocese of Saint Paul and Minneapolis

Uniform and Personal Appearance

Label all of your child's clothing with his / her family Name,

Purpose – To ensure that students are able to stay focused on their academic, spiritual, moral and social growth, standards of behavior and dress have been established at St. Therese School. Students are asked to observe a standard of dress appropriate for a Christian learning environment and are expected to come to school appropriately dressed and groomed. In doing so, students practice self-discipline, while not distracting themselves or others.

Consequences for Inappropriate Attire – Student reports to office to borrow a uniform or to call home for missing elements (belts, socks, etc.). This causes a disruption to the entire class, so the student will be asked to make up lost class time either during recess or after school.

The NEW and Gently-Used Uniform Store is open 9 days before the start of school and during conference times. This is staffed entirely by a volunteer, and it provides a cost-effective way for families to recycle gently-used uniforms. Parents wishing to sell used uniform items may drop off their *freshly laundered* items, clearly labeled with the family's name, in the school office. The NEW and Gently Used Uniform Store does not deal in non-uniform items, shoes, boots, coats, etc. *Profits received from donated clothing will be added to the Father Shea Scholarship Fund for tuition assistance.*

St. Therese Parent Association

(formally PTO)

The St. Therese Parent Association is an organization of parent volunteers supporting principal and staff to enrich the STS experience. The committee plans and executes events in and around school with the goal of building community and strengthening the relationships of students, parents, families, and staff. Some of our events include Grandparents Day, Teacher Appreciation Week, Christmas Box Donations, and many more.

The Association is comprised of a core group of parent volunteers and relies on the efforts of ALL parents in the community to produce successful events. Each year we collect a fee from each family through TADS to fund the committee and collect additional money intermittently for specific endeavors like classroom parties and teacher gifts. We also rely on your donation of TIME to make events happen.

HEALTH INFORMATION

Welcome back to our students and parents and welcome new families and students. We hope to make this a safe and healthy school year. To do this, we need your help. A few reminders before the beginning of the school year:

Minnesota State Law:

Requirement: Polio – 3-4 doses depending on age when 3rd dose was given.

Requirement: DTaP, DTP, DT – 4-5 doses depending on age when 4th dose was given.

Requirement: 2 MMRs, 3 Hepatitis B and 2 Varicella is now to be enforced at **ALL** grades, not just K and 7th

Requirement: for **ALL 7th – 12th** grade to have Tdap and not just Td

Requirement: for 7th grade to have a Meningococcal (MCV, MPSV) vaccine (and to *encourage* grades 8-12 to consider)

- If your child has had any of diseases listed, it is required that there be a physician's signature to confirm.

Check with your child's physician and turn in the requested information before the first day of school. **NO SHOTS, NO SCHOOL. If you choose to have your child (ren) exempt from immunizations, please contact Vicky Lincoln at her email address below.**

- **** If your child is a returning student in grades 2-6, and has **NOT** had any new immunizations, I do not need a new immunization form filled out every year. ****
- If your child is conscientiously or medically exempt from any immunizations and your form is on file, I do not need a new one every year. I do need a new signed file on record if this is new to you.
- If your child has allergies that require immediate attention (life threatening) you should obtain an Emergency Action Plan from your Doctor, Epi pen/Benadryl, etc. before the start of the school year. You will need to sign this also. This **does not carry over year-to-year**.
- If your child will need medications to be kept in the Health Office during the school year, the proper paperwork needs to be filled out. This can be found on the website under Health office. **Prescription Medication** needs both doctor and parent signature. **Nonprescription Medication** needs only parent signature. All medication needs to be in its original container with the child's name and dosage on it.
- Our rules about **staying home** are unchanged: children need to stay home if they have a *temperature of 100° or greater, are throwing up or have diarrhea*. They may return to school when the fever has been less than 100° for 24 hours without fever-reducing medicine, when it has been 24 hours since the last episode of vomiting or diarrhea and when the child feels well enough to return. If there is doubt in the morning whether your child is ok to be in school that day, you may consider keeping him or her home for the morning and seeing how it goes.
- If your child will be **absent** from school, either for a day or for an extended time for a family activity or vacation, you *must* report their absence, either by e-mailing the teacher or calling our attendance line at 952-261-0606. Please include a reason for the absence.
- Parents, please let us know in the health office if your child is diagnosed with a **communicable condition** such as Strep Throat, Pink Eye, Fifth Disease, Influenza, Head Lice, and the list goes on! We need to communicate this information to parents of other students in your child's class. Call the front desk at 952-473-4355 or the health office at 952-261-0601 to report.
- **Undiagnosed rashes** and other skin conditions need to be diagnosed by a physician before your child can be in school. There are many skin conditions which are contagious, and we want to be sure that no sharing takes place! Again, please let us know in the health office of the diagnosis.
- Keep checking heads for our least favorite critter, **Head Lice**. We can offer guidance on what to do if your child is affected. Prevention is a lot easier than treating - discourage your children from having any head-to-head contact with others - also any sharing of hats, combs, towels, etc.

If you have any Health-related questions during the summer please contact Karla Hartman, Minnetonka district health services at 952-401-5993.

FOOD SERVICE

Dear Parents and Students,

We hope you are enjoying your summer! While we are excited to start thinking about a new year, we are saddened to announce that Chef Mike has accepted a new position at a senior living center. He is excited to work with a new clientele and to work closer to home and to his children's school. We are grateful to Chef Mike for his two and a half years of service to St. Therese.

Even with these changes, we are committed to ensuring the foods served are of the highest quality, including fresh fruits and vegetables and antibiotic and nitrate free meat products. We will send an update when we have finalized our plans for the fall.

In the cafeteria we use Educate by TADS to manage the lunch accounts. When you make a payment to your child's lunch account, it gets entered into a family account so all of the children in your household can use money from the same balance. Payment for lunch can be made 2 ways, cash, or check. When you send cash or check, please place it in an envelope marked "Lunch Account" and submit it to the front office. Email notifications of a negative balance will be sent out every other week. Our goal is to work with Educate to ensure that you can monitor your child's lunch account online. We will send out instructions as we work through this process to make sure you have access. Thank you for your patience while we work to make this process more efficient for the kitchen staff and families who participate in the lunch program.

The 2022-2023 lunch prices have yet to be determined. We will communicate the lunch prices with you as soon as they have been decided.

Kindergarten Students are served 1 free milk each day as per MN State Law.

A menu will be posted on our website at the beginning of each month. Students bringing lunch from home can purchase milk, however, pop/soda are always prohibited, and ANY GLASS BOTTLES are not allowed in the school cafeteria.

We take ALL food allergies seriously. If your child has any food allergies, we are willing to make every attempt to accommodate them. Please call or email me to discuss their needs. If your student is unable to drink cow's milk, a milk alternative, which is lactose or nut free, depending on the situation, will be offered to them when they purchase lunch.

If you have any questions concerning the lunch program or lunch account balances, feel free to contact me. Feedback about our program is always welcome!

Sincerely,
Emily Rohla

Financial Gifts

We are grateful for the many things our families and community members do to help us live out our school mission. In addition to our annual fundraisers, there are many tax-deductible ways to help support St. Therese Catholic School financially:

The *Fair Share* program is designed to help defray the difference between the actual cost of educating a student at St. Therese (\$11,000+) and tuition (\$5,400). *Fair Share* helps us keep our tuition rates reasonable and allows families who *can* do more to do so. Fair Share can be accessed through TADS or you can speak with Mr. Groebner.

The *Fr. Shea Fund* provides tuition assistance to those who need support. Over \$90,000 was given in tuition assistance last year, and the need is growing. Your support of the Fr. Shea Fund allows us to say “yes” to families who desire a Catholic education for their children but are prohibited by financial challenges.

General Gifts to School

Unrestricted gifts to St. Therese School also help in so many ways to continue to bridge the gap between tuition and expenses and allow us to provide the highest quality programming.

Many companies offer ***matching grant programs***, so please check with your place of employment to see if this option is available.

Please contact Principal Adam Groebner (952-473-4355) for more information on these and other opportunities for giving.
