St. Therese Catholic School Culture Framework

Welcome

St. Therese Parish and School is a powerful Catholic witness, committed to vibrant growth by living out Jesus Christ's call to "Go and make disciples" (Matt. 28:19) through our sacramental life, prayer, catechesis, fellowship, evangelization, and financial stewardship

School Mission

St. Therese School is a preschool through eighth grade Catholic parish school that welcomes all and acknowledges the worth and dignity of each student.

We believe in nurturing spiritual growth and offering excellence in education, so that each child's unique potential is realized.

Philosophy and Goals

Draw students to God through examples of Christian love and acceptance.

Equip children to become responsible, competent, and loving people.

Build a passion for knowledge and lifelong learning.

Provide a solid foundation of the history and teachings of the Catholic faith.

Commit to ongoing evaluation of learning in order to foster academic excellence.

Support families and parents in their role as the primary educators of their children.

Encourage relationships across generations.

Root Beliefs

All are welcome.

God is in all things.

We are always learning.

We do Christ's work.

Little things make big things happen.

Monthly Virtues

September	Charity
October	Friendship
November	Courtesy
December	Purity
January	Fortitude
February	Responsibility
March	Respect
April	Prudence
May	Forgiveness

SECTION 1: ACADEMIC POLICIES

Curriculum and Instruction

English Language Arts, Mathematics, Religion, History & Geography, Art, Music, Spanish, Health, Physical Education, and Science form the St. Therese **curriculum**. Most subjects are aligned with or extend the Minnesota State Standards. Our Religion follows Archdiocesan requirements. In addition, Library and Technology are integrated into the academic program.

Religion and Sacramental Preparation

Faith formation is a key component of St. Therese School. Prayer is an integral part of school life, and each day begins and ends with prayer. The student body comes together for liturgy each Wednesday with the parish community. Students are involved in various roles of ministry as readers, musicians, altar servers, and gift bearers. Students and staff participate in other liturgical celebrations throughout the year.

Students prepare to receive the sacraments of Eucharist and Reconciliation in the second grade. These are parish-run programs coordinated between the school and the parish. Parents of students entering 2nd grade should contact the parish Faith Formation Office (952-473-4422) in spring of the 1st grade year for registration and other important information. Parents of older children seeking to receive the sacraments should contact the Faith Formation office as well.

Each member of the school community has the responsibility to build a Christian environment through word and example. There are many projects throughout the year designed to enhance community building: liturgical celebrations, open houses, class buddies, parish fundraisers and gatherings, Generations Day, Catholic Schools' Week, and a wide variety of service projects. Students and staff are encouraged to participate fully in these opportunities to deepen awareness of their own blessings and the needs of others.

Diverse Learners

If a teacher sees that a student is not reaching academic growth goals and traditional strategies are not effective, the classroom teachers, parents and principal will meet to discuss alternate interventions and create a plan for implementation.

We work in conjunction with the Minnetonka School District to screen for learning challenges when appropriate. Teachers and the school principal are available to guide parents through this process.

The staff of St. Therese School strives to meet the needs of all learners; however, a full range of services may not be available to appropriately or responsibly address all needs. The decision as to whether or not St. Therese is the most appropriate academic environment for a child will be made collaboratively and with the school mission and philosophy in mind.

Blended Learning

Blended learning is an educational model that *blends traditional teaching methods* with **educational technology**. It allows individualized instruction by identifying each student's "just right" level and builds skills from that point.

Middle School Advisories

Advisories provide a supportive environment to help foster academic and social growth for Middle School students. The Middle School advisor serves as an advocate for the student and a liaison to the parents and the student's other teachers. The advisory program helps students, and their parents, transition from the self-contained elementary classroom to the multiple teachers in the middle and high school years.

Technology

St. Therese has multiple devices throughout the building, including laptops, Chrome books, iPads, and Smart Boards to aid in the delivery of curriculum and production of work at all levels. Families are responsible for the cost of repair or replacement if a student's actions result in damage to school-issued technology or equipment. Please refer to section 4 on details regarding technology use and artificial intelligence.

Textbooks

Textbooks are provided to students at the beginning of the year. The students are responsible for the care and condition of their books. For protection, books should be covered at all times. A faculty member assesses the books at the beginning of the year and keeps a record of the condition. Teachers will assign a number to each book used by a student. Students are not responsible for any pre-existing damage; however, if damage has occurred during the year, a replacement or damage fee will be charged. If the book is lost, a replacement fee will be charged.

Partners in Art/Art Adventure

Art Adventure is an arts appreciation program taught to students in grades K-5. There are seven sessions presented per school year. We are always looking for parents to become Partners in Art presenters. Volunteers receive training on the materials presented for each session.

Environmental Learning Camp

Each year, the 7th grade class spends a week at an environmental learning camp such as YMCA's Camp Widjiwagan in the north woods of Minnesota for a science and history exploratory. Information about this trip is sent directly to 7th grade families in early September. Other middle school grades may be included depending on circumstances.

Field Trips

Field trips are recognized as an effective teaching methodology. All field trips are approved by the principal and must be directly tied to the curriculum. Permission slips must be completed prior to the field trip. When appropriate, parents or guardians may be asked to pay the full cost for their child to participate, including transportation. No child will be denied attendance on a field trip due to inability to pay. Parents should contact the principal directly for assistance. Parents may be invited to attend certain field trips as chaperones. In such cases, parents may be asked to pay for their participation and transportation. Teachers must carry release forms and first aid kits with them on field trips. Transportation for all field trips is provided in St. Therese-sanctioned buses or approved adult drivers.

Academic Evaluation and Assessment

Academic Performance

Academic performance is based on each student's achievement. This is done by assessing what the student has learned, his/her ability to use the information and concepts individually or with assistance, as well as the capacity to apply it to a variety of situations. St. Therese Catholic School's **philosophy of assessment** is the belief that the ongoing, consistent evaluation of the progression of student learning and achievement is paramount to meeting and exceeding learning objectives as defined by both staff and school. Each child is created in the unique image of God and therefore has unique talents and learning abilities. Using this belief, in accordance with the school's mission statement and philosophy, teachers utilize varied assessments, both summative and formative, to not only track and improve individual student progress and achievement, but also to facilitate changes in teaching and learning methodologies. Student self-assessments, such as exit slips, checklists, and error-analysis activities promote a climate of intrinsic motivation and actively involve students in the learning process. Teachers are responsible for accurately and thoroughly reporting results to the student and his/her parents in written form by using several different forms of assessment and evaluation. Likewise, teachers are expected to start the process of remediation or enrichment based on these evaluations.

Academic Support Services

Our school provides a comprehensive range of Academic Support services designed to meet the diverse learning needs of all students. These supports include targeted math and reading interventions, as well as enrichment opportunities for students whose academic records indicate they would benefit from additional challenge in these areas.

Our **Learning Specialist** plays a key role in supporting both academic and behavioral success. This staff member collaborates with teachers and parents to address learning or behavior concerns, develops and monitors Individual Learning Plans (ILPs), and helps connect outside diagnoses and support services with the school environment. The Learning Specialist also partners with Minnetonka Public Schools to facilitate access to special education and related services when appropriate. Additionally, they assist school administration with discipline support and provide recommendations for classroom strategies to help all students thrive.

Our **Student Support Team (SST)** is made up of teachers who meet monthly to discuss ways to meet students needs including plans, strategies and accommodations. These meetings may lead to the creation of an ILP for a specific student.

NWEA - MAP Testing

NWEA testing is completed in all grades in the fall and spring. Results are helpful in assessing individual academic progress. Reports are sent to parents with the Fall Conferences and with the student's end of year report card.

STAR Testing

STAR testing is another resource of testing St. Therese uses every six weeks to progress monitor students in the areas of reading and math. Results are used to help provide intervention or extra support for students.

Enrichment

Our Academic Enrichment Program is designed to provide challenging, thought-provoking, and diverse learning opportunities for our students. The program works on many different levels including pull out groups, classroom differentiation challenge packets, and school wide activities available to all. The goal of academic enrichment is to enhance and seek deeper understanding of skills and content learning during classroom lessons and initiate opportunities to explore subjects and areas beyond their primary curriculum.

Homework

Homework is a normal part of the student learning experience. Homework provides students with opportunities to practice and extend the application of skills, knowledge and content taught in class, and homework helps develop independence and responsibility. Students in grades 1-5 will usually spend time each weeknight reading and reviewing math lessons. Students in Middle School are expected to spend approximately 60-90 minutes each weeknight doing homework or preparing for the next day. All students are responsible for turning homework in on time.

Conferences

Parent teacher conferences are held in the fall and spring. Additional conferences may also be on the request of the teacher, parent, or principal. Consistent communication between home and school is essential for the continued progress of each child.

Academic Progress

Students' academic progress is discussed with parents during conferences or as needed. Report cards are sent home following each trimester and grades reflect an average of tests, quizzes, projects, class participation, and homework. The grading scale can be found on the report card. The faculty will take action regarding a student's academic performance through promotion, retention, enrichment, remedial work, or by placing children in appropriate skill groups.

Math Placement

Placement in middle school math classes is determined by several factors, including NWEA-MAP test scores, diagnostic assessments, placement tests, and teacher recommendation.

Promotion & Retention

Students are placed at the grade level best suited for their academic, social, and emotional growth. A student will ordinarily progress from one grade to another annually, spending one year at each level. The decision to promote or retain a child results from careful study and evaluation by the teacher, principal, and all appropriate resources. If there is some concern that a child may not be moved to the next grade level, parents should be apprised of this possibility early in the second trimester, with all concerns thoroughly discussed.

Extracurricular Enrichment

Athletics

St Therese has a strong, vibrant athletic program for its students. Sports include volleyball, basketball, and soccer. STS is part of an organized league that offers competitive play for students in grades 4-8 with Catholic and private schools in the area. The goal of the athletic program is to provide a safe, nurturing experience where all students have the opportunity to participate. Participation is fee-based and scholarships are available. The athletic program is managed by the Athletics Director and the Principal.

Extracurricular Eligibility

Participants in school sports teams are expected to perform to the best of their ability and to be an example not only for teammates, but for other students as well.

Music Ministry

Students in grades 3-8 are encouraged to participate as school liturgy singers and in the Parish Youth Choir. Middle School students are eligible to audition for the Parish Cantor Program.

Spelling Bee

Students in grade 4–8 are eligible to participate in the School Spelling Bee held in January. The top finishers represent St. Therese School in the district spelling bee or Archdiocesan bee.

After School Enrichment Programs

These programs are offered throughout the school year. Some sample classes include Chef's Academy, robotics, chess club, STEM club and others. These class opportunities will be announced in the weekly newsletter.

Middle School Play

Each spring, under the direction of staff and dedicated parent volunteers, students in grades 6-8 have the opportunity to participate in the school play. All practices are held outside of school hours. Students learn about theater production and develop important life skills such as teamwork and time management.

SECTION 2: ADMISSIONS, ENROLLMENT & TUITION

Admissions

St. Therese Catholic School will comply with all federal and state laws prohibiting discrimination and all requirements imposed by, or pursuant to, regulations issued. Therefore, no person shall, on the grounds of race, color, national and ethnic origin, sex, marital status, status with regard to public assistance, age or disability be excluded from participation in, be denied the benefit of, or be otherwise subjected to discrimination in any educational program, employment, recruitment, or any activity operated by the school.

A student must be five years old by September 1 to start Kindergarten. Early admission may be requested. If the child meets the requirements for admission and there is room in the class, he/she will be admitted. Priority will be given to students whose birthdays are within the prescribed range. Additional priority is given to siblings of current students and registered parishioners. Any applicant for Kindergarten admission who is five (5) years old on or before September 1 and would have been accepted into Kindergarten for that school year, but due to the recommendation of the St. Therese preschool staff has delayed enrollment into Kindergarten for one (1) year, will receive top priority for the following year in his/her respective priority level.

Tuition and Fees

Tuition for the 2026/2027 school year is \$6,478.50 and the registration fee is \$175 per student with a maximum of \$350 per family. No St. Therese parish family will be refused admittance to the school because of an inability to pay the full amount. Families requesting aid must fill out a financial aid form obtained through TADS. A link can be found below and on the school website, <http://www.st-therese.org/registration>.

Decisions regarding aid are confidential and made by the pastor and principal.

Tuition payments are managed completely online through our tuition and enrollment management partner, TADS. All tuition for the academic year must be paid by the end of that school year. <https://secure.tads.com/>

The TADS help line telephone number is 612-548-3320.

Continuous Enrollment

Students will be automatically enrolled each successive academic year, until graduation from St. Therese Catholic School unless and until this agreement is terminated by St. Therese Catholic School or written notice of termination from the parent is received in the school office. Please see the Continuous Enrollment paragraph under the Terms and Conditions in both the Enrollment and Agreement portions of TADS.

Change of Address

Please notify the school office immediately if your address, telephone number or email changes during the year. In case of emergency, we need to be able to contact you promptly.

Transfer or Withdrawal

Any student who wishes to transfer or withdraw from St. Therese School must first settle any and all obligations. No records will be forwarded until this is done. If a student withdraws during the school year, the family is obligated to pay through the end of that trimester. If a student withdraws after August 1st, all fees and dues are non-refundable as well as a \$100 textbook charge per child. Please notify the principal of any intended student withdrawals or transfers.

Tuition Policy

St. Therese utilizes a tuition management program for the collection of all tuition and fees. For the 2026-2027 school year, St. Therese will utilize TADS as the tuition management program. All families are required to utilize the tuition management program for the payment of their tuition and fees. TADS will provide a variety of payments options for families to select. Tuition contracts must be completed and payment plans established before a student(s) can enroll in classes.

All accounts are reviewed by the Office Manager and School Principal. An Accounts Receivable Aging Report along with an applicable action plan will be evaluated by the administration each trimester. In the event that a family is not current with their tuition and/or fee obligation during the trimester, they will receive TADS tuition correspondence. In addition, a letter and follow up phone call will be directed to accounts that are 30 +days delinquent by St. Therese personnel. Accounts that are 90 days past due will be sent a past due notice and a letter indicating that the external collection procedures would begin if the account is not brought current or have a written payment plan agreement in place within 14 days.

Tuition and fees balances are to be paid in full by June 30th. A written payment agreement is required for outstanding balances that extend past June 30th. All payment arrangements with families must be in writing and signed by the family member financially responsible for the account and an St. Therese representative.

Past Due Accounts

If a family has a past due account at the end of the school year, they must resolve their past due account before they can be placed on class lists for the next school year. The options include paying the account in full or having a written payment plan for the past due tuition that is approved by school. If a family does not resolve their past due tuition and elects to transfer their student(s) out of the school system, their records will not be released until a plan is in place.

Families who have failed to engage with school to find a payment solution to outstanding balances, or who have failed to honor payment agreements will not be eligible for school and class enrollment and/or will be referred to a third-party collection agency. If a family is sent to collections, they are responsible for all collection related fees. If written payment agreements are made for previous year balances, the family may return to school provided they honor the current and previous year payment obligations.

SECTION 3: ATTENDANCE POLICIES

Daily Schedule

7:00 Office opens

7:10 Doors Open and Breakfast Begins

Students gather in cafeteria

7:20 Students are allowed to go to their classrooms

7:35 School day begins

Students not in their classrooms will be marked tardy/absent.

2:10 School day ends

3:30 Office closes

Attendance

Regular attendance is a critical component of a child's learning experience: in addition, it is a state law. Occasional absences are unavoidable. These absences may be one of two kinds: excused absences or unexcused absences.

School Hours

Each school day begins at 7:35 am and ends at 2:10 pm. After-school care is available through Spirit Club for students not involved in an approved activity or picked up by 2:30 pm.

Arrival/Dismissal

Students should arrive after 7:10 am – no before-school supervision is available before 7:10 am. Students will be permitted to enter the classrooms at 7:20, and according to the guidelines of the classroom teacher. All-school prayer begins at 7:35.

Students being dropped off or picked up by car enter and exit at the main door to the school (#5). Upon dismissal at 2:10 pm, students who are car riders go to the main door (#5) and are picked up in the car-pool lane. They must be picked up by 2:20 pm. Children cannot be left unsupervised, so parents are expected to be prompt about picking up students at dismissal or after any other activities. Children not picked up by 2:30 pm will be taken to Spirit Club.

If a child is not following his/her normal transportation routine at the end of the school day, the homeroom teacher and main office staff must have an email from the parent indicating the change. To ensure student safety and smooth dismissal procedures, **any changes to dismissal plans must be communicated by 1:30.**

Students are allowed to ride the bus home with friends if the homeroom teacher and main office staff have received sufficient notice via email of the change. Bus passes will be distributed to students at the end of

the day and are to be presented to the bus driver as they board the bus. Students will not be allowed to ride a different bus without a pass from the school. Children will not be allowed to veer from their normal routine without written parental permission. Children are not allowed to make plans with classmates during the school day and call home for permission. Such plans must be made prior to the beginning of the school day.

Excused and Unexcused Absences/Tardies

There are two types of absences/tardies – excused and unexcused. School administration, not parents, has the final determination regarding which type of absence applies. Please note that the school is required to report excessive tardies and absences to the county truancy office.

Excused absence/tardy: are typically short in duration and related to illness, funeral, doctor/dentist/orthodontist appointments.

Unexcused absence/tardy reasons include vacations, sporting events/practices, oversleeping, missed the bus, or school refusal.

Absence Due to Illness

If a student is absent for an entire day due to illness, they are not allowed to participate in after school activities. If a child is absent because of illness for two days or more, a full week will be given in which to make up work. If an absence is longer than 12 days, a written doctor's excuse is required, or Social Services will be contacted for educational neglect.

Absence Due to Vacation

Students missing school for a vacation is strongly discouraged. If a student is absent due to a vacation while school is in session, the school office must be informed as far in advance as possible, and at least 48 hours before the planned absence. Teachers are not expected to prepare assignments in advance to accommodate vacation plans. Student will be responsible for making up all assignments upon their return.

Truancy

Truancy is when a student is absent from school without a valid excuse as defined by school policy. It is a serious matter because regular attendance is essential for academic success. Families will be contacted when unexcused absences occur, and ongoing truancy may lead to intervention meetings and attendance improvement plans.

A student will potentially be withdrawn if they have missed 15 consecutive school days during the regular school year without receiving instruction in the home or hospital setting, at the discretion of the school administrator.

Reporting an Absence

- Email the school nurse, the main office staff, and your students homeroom teacher/advisor with details of your student's absence.
- If you have not called by 9:00 am, you will receive a call asking why your child is not in school.
- When a student is arriving late or returning from an appointment, a parent/guardian needs to come into school with the student, so he/she can obtain a required pass to class.
- Students arriving before 8:40 will be counted as present all day but marked tardy.
- Students arriving between 8:40 and 1:30 will be marked 0.5 days absent.

- Students leaving between 8:40 and 1:10 will be marked 0.5 days absent.
- Students leaving after 1:10 will be marked as an early release.

Midday Dismissal of a Student

During the school day if a student is being dismissed for doctor, dental or other appointment a parent must email the school nurse, homeroom teacher/advisor, and the main office staff. At the time of release, the parent must come in to the office to sign the student in and out of school at the school office. If someone other than the parent is picking up the child, a parent must email giving permission for the individual identified to take the student from school. No child will be released to a non-custodial parent without a notice.

Missed Assignments

The teacher is responsible for helping the student make up work, take missed tests and record grades **for excused absences only**, but it is also the responsibility of the student to make up all missing assignments the teacher may think advisable.

Extracurricular Participation

The ability to participate in extracurricular activities is contingent upon a student's school day attendance. If a student is absent, other than for an excused appointment, any part of the day that has an after-school or evening sponsored activity or sports event, the student **MAY NOT** participate in the activity or sports event.

Tardiness

Being tardy is understandable when there are circumstances beyond the student's control such as inclement weather or late buses. One of the main responsibilities students have is to arrive at school and be in their classrooms on time each day. **Our school day begins at 7:35 am**, so it's very important, both academically and logistically, for every student to be in the classroom and ready to begin the school day on time. Entering a classroom late is disruptive and causes additional stress for your child, the students, and the teacher. Repeated infractions of this policy will result in a parent conference with the principal.

Tardy for Classes

Students are expected to be seated and prepared to begin each class throughout the day at the scheduled time.

Spirit Club

Spirit Club is after-school, non-school day, and summer camp care for children enrolled in grades K-5. Spirit Club is designed to create a safe, well-supervised and fun environment while instilling and building on the values taught at St. Therese School. There is a fee for Spirit Club and advance reservations are required. Children in grades 4-5 have the option for Homework Help, at an additional cost. Those who are already enrolled in Spirit Club do not have to pay the additional fee for homework help.

SECTION 4: BEHAVIOR & RESPONSIBILITY

Each community member's behavior and attitude should create an environment conducive for moral, spiritual, social and intellectual growth. In living out our root beliefs, school mission and philosophy, students and staff are expected to show respect, friendliness, and courtesy at all times. We are called to respect personal and public property and cooperate with students, parents, staff, and authority figures.

Students develop good habits by consistent effort and daily completion of work. During the elementary and middle school years, children learn to act responsibly and with accountability, understanding, and an awareness of the impact their actions have on the community.

The school expects **parental cooperation** in supporting the expectations of behavior the school has established and the consequences that result from students' behavior.

As part of our St. Therese's commitment to restorative practices and social-emotional learning, students may be required to meet with the principal, school counselor, or other designated staff to engage in structured, skill-building sessions. These meetings are not considered counseling, but rather an educational and developmental response aimed at addressing behavioral concerns, repairing harm, and supporting the student in learning essential interpersonal, self-regulation, and conflict-resolution skills. The school reserves the right to assign students to these sessions as part of a disciplinary or restorative response to behavior incidents.

The principal and teachers are responsible for discipline, the establishment and implementation of rules and regulations, and for setting a proper climate for good relationships in school. Students will be informed of rules and regulations applicable to them and of any changes they should make throughout the year. A record will be kept of serious and/or chronic behavior problems. The principal may require conferences to discuss behavioral problems their children may be having.

Behavior Expectations

Classroom Behavior

- Arrive to class on time and prepared.
- Obtain permission before leaving class.
- Obtain permission before eating or chewing gum in class.
- Listen and avoid interrupting.
- Speak respectfully to teachers, paraprofessionals, classmates, parents and visitors.
- Refrain from using cell phones during the day.
- Take care of classroom materials and personal belongings.
- Behave respectfully with a substitute teacher.
- Keep hands and arms under control.
- Pay attention to the speaker.
- Maintain academic honesty (no plagiarism, copying, providing answers, etc.).
- Carry out the root beliefs, mission, philosophy, and virtues taught at St. Therese School.

Hallway Behavior

- Walk safely and calmly throughout the building.
- Maintain a respectful volume, with consideration for others who are working and learning throughout the building.

Restroom Behavior

- Respect the privacy of others.
- Keep hands and arms under control.
- Take care of school property and personal belongings.
- Use equipment for its intended purpose.
- Maintain a respectful volume, with consideration for others working and learning throughout the building.

Playground Behavior

- Respect staff members and parent supervisors.
- Control aggression.
- Maintain good sportsmanship.
- Share equipment.
- Use equipment for its intended purposes.
- Obtain permission before leaving the playground.
- Ice, rocks, snow, and other non-play items are to remain on the ground.
- Take care of school property.

Lunchroom Behavior

- All students must eat lunch. Students must purchase lunch or bring cold lunch from home. (You must take a milk any time you purchase a school lunch).
- Keep voice at a conversational level.
- All students must walk at all times in the lunchroom and hallways.
- Keep hands and bodies under control at all times.
- Sharing of food is prohibited for health and allergy reasons.
- Clean up after yourself. This includes throwing away trash, recycling responsibly, and wiping your spills.
- Wait to be excused from the table.
- All students must hand sanitize before lunch and wash their hands with soap following lunch.
- Pop and fast food brought from outside vendors is not allowed in the cafeteria because we try to encourage a healthy lunch for the children.

General Harassment

Harassment includes unwanted/unwelcome behaviors that make a person feel threatened, uncomfortable, intimidated, degraded or discriminated against *or* behaviors that create an intimidating, hostile or offensive learning, working or play environment.

Verbal Abuse and Disrespect

Verbal abuse and disrespect includes profanity or behavior demonstrating lack of respect or failure to respond appropriately to direction. This includes inappropriate conduct toward school staff, parent volunteers and other students, and this behavior will not be tolerated.

School Property

Students are expected to respect all school property, including furniture and equipment, textbooks, and supplies. Students who damage or lose school property will be responsible for paying for the repair or replacement of the property.

Inappropriate Touch

This is not tolerated. Students are to keep hands, arms, legs, feet and knees to themselves and respect the other person's space.

Sexual Harassment - includes the following violations:

- Unwelcome physical contact or intimidation of a sexual nature, either direct or indirect
- Unwelcome sexual comments, including jokes or stories
- Any conduct of a sexual nature, either direct or indirect, which contributes to an overall offensive or intimidating environment

Behaviors may also include but are not limited to: touching, gestures, jokes, verbal comments, leers, cartoons/pictures, name calling, notes, extreme aggressiveness, spreading sexual rumors, pressure for sexual activities, overly personal conversations, sexual assault, inappropriate sexual phone calls during or after school hours, encouraging sexually-inappropriate behavior in others, kissing or inappropriate hand-holding or body contact, inappropriate comments (written, spoken or on-line).

Consequences

We are always learning, so naturally, consequences should lead to a change or improvement of behavior. Consequences will reflect the severity of the offense as determined on a case-by-case basis. Consequences may include one or more of the following actions or other such consequences as the teacher or principal deem appropriate:

- Verbal warning
- Parent contact by phone, email or written behavior infraction slip
- Parent/ teacher conference
- Student/principal or pastor conversation
- Denial of class privileges (field trips, class celebrations, etc.)
- Suspension, probation, expulsion

Suspension Policy

A student may be suspended by the principal for serious and/or repeated violations of school rules and policies. In cases of gross misconduct the principal has the authority to **immediately** suspend a student and will follow such action with appropriate steps and communication. Gross misconduct is defined to include, but is not limited to, conduct which creates a substantial and unjustifiable risk of harm to another person or serious damage to the property of the school or other person, or conduct which substantially impairs the discipline and order of the school environment.

Expulsion Policy

If a student's violation of school rules threatens to continually or, in any given instance, disrupt the daily academic process, or if the student's presence poses a danger to himself/herself or other persons or property, the principal will take the following action:

- Notify the student of the punishable violation

- Notify the parents/guardians of the punishable violation
- Schedule a conference with the parents/guardians, student, homeroom teacher (or other involved teachers) and principal or pastor to discuss the incident
- Take appropriate action as recommended by the principal and homeroom teacher and/or teachers involved in the education of the child

GRIEVANCES

Unfortunately, even among Christians, there can be disagreements and, at times, conflict the following procedures should be followed to facilitate a quick resolution.

Students Responsibilities:

- Remain calm; loss of one's temper only creates more problems and can result in the escalation of the situation beyond what is necessary.
- Do not discuss the situation during class or school time. This results in unnecessary participation of the class in something that is at issue with you and your instructor. It also can waste class time.
- Set an appointment with the staff member to discuss the situation privately.
- Pray together. Share concern calmly, honestly, and sincerely with your instructor.
- Remember to be respectful. You and the staff member may be angry. Anger does not create the best environment for a discussion. Make sure you enter the discussion with your anger in control. Listen with an open mind to what the staff member has to say. Remember you want to be heard and understood, the staff member deserves the same benefit.
- If you feel the issue was not resolved or needs further resolution, set an appointment to meet with the staff member and the principal.

Parents Responsibilities

- Remain calm. Remember you are to be an example to your student in how you react or respond to any given situation. It is crucial that you do not undermine the authority figure in front of your student in words or actions. Pray about the situation or incident.
- Know in your heart that you and the staff member are on the same team.
- Make sure you hear both sides of the situation before you determine what your next step will be. You will find that most situations will resolve themselves and are the result of a simple misunderstanding or lack of communication.
- Do not take sides.
- To the best of your ability, try to resolve the situation with the staff member. If the issue remains unresolved, set another meeting with the staff member.
- If you feel an issue has become impossible to resolve, set an appointment with an administrator for resolution.

BULLYING PREVENTION POLICY

Preamble

Created in the image and likeness of God, each person shares a fundamental human dignity. A Catholic school provides an environment dedicated to protecting and fostering the development of that dignity. St. Therese School's *root beliefs* help children exercise their God-given freedoms and responsibilities, with the understanding that good choices become lifelong virtues. Because we are God's children, bullying and retaliation are not to be tolerated from children or adults. "Here is my commandment," says Jesus, "that you love one another as I have loved you."

This policy serves as a guide for when expectations are not met, and for when reconciliation and restitution are needed.

Definitions For purposes of this policy, the following definitions shall apply:

"Aggressor" means a student who engages in bullying or retaliation.

"Target" is a student against whom bullying or retaliation has been perpetrated.

"Bullying" is the repeated use by one or more students of a written, verbal or electronic expression, or a physical act or gesture, or any combination thereof, that is objectively offensive, is directed at a target, and that:

- Causes physical harm or emotional harm that results in clearly identifiable physical symptoms to the target or places the target in reasonable fear of such harm;
 - Causes damage to the target's property;
 - Places the target in reasonable fear of harm to him/herself, or of damage to his/her property;
 - Creates a hostile environment at school for the target;
 - Infringes on the rights of the target at school, including defamation and invasion of privacy;
- or
- Materially and substantially disrupts the education process or the orderly operation of a school.

For the purpose of this Policy, whenever the term "bullying" is used it is to denote either bullying or cyber-bullying.

"Cyber-Bullying" means bullying through the use of technology or any electronic communication, which shall include, but shall not be limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature, including a post on a social network, internet web site or forum, transmitted through a computer, cell phone, or other electronic device.

"Hostile Environment" means a situation in which bullying causes the school environment to be permeated with intimidation, ridicule or insult that is sufficiently severe or pervasive to materially and substantially alter the conditions of the student's education.

"Retaliation" means any form of intimidation, reprisal, or harassment directed against any person who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying.

"School Grounds" mean property on which a school building or facility is located or property that is owned, leased, or used by a school for a school-sponsored activity, function, program, instruction or training.

"Staff" includes, but is not limited to, educators, faculty, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, coaches, advisors to extracurricular activities, support staff, and paraprofessionals.

Prohibition against Bullying and Retaliation

The school expressly prohibits bullying in all forms, either by an individual or group of aggressors.

Bullying, including cyber-bullying is prohibited:

- On school grounds owned, leased or used by this school;
- At any school-sponsored or school-related activity, function or program whether on or off school grounds;
- At a school bus stop;
- On a school bus or any other vehicle owned, leased or used by the school; or,
- Through the use of technology or an electronic device owned, leased or used by the school;

Bullying is also prohibited at a location, activity, function or program that is not school-related. Similarly, the use of technology or an electronic device that is not owned leased or used by a school to commit an act or acts of bullying that materially and substantially disrupt the education process or the orderly operation of a school is also prohibited.

Reporting

Any staff or volunteer who has witnessed or become aware of any instance of bullying or retaliation must report that act to the principal or another school official designated by the principal. In the selection of this person, care should be taken that both a male and female school official are designated to receive reports of bullying.

Any student or parent/guardian of a student is strongly encouraged to report all acts of bullying. Reports can be made to the student's teacher, who must then report it to the principal.

Anyone with general questions or concerns about bullying or the school's policy should address those questions or concerns to the principal.

Reports may be made confidentially when requested.

Reports may be made anonymously. The anonymous nature of the report may make it difficult to investigate or corroborate the alleged bullying. No disciplinary action may be taken against a student solely on the basis of an anonymous report.

False accusations of bullying are absolutely prohibited and may result in discipline in accordance with the school's discipline policy.

Retaliation

Retaliation against a target, witness of bullying, a person who makes a good faith reporting of bullying, or who provides information during an investigation of bullying, is prohibited.

Response and Investigation

- St. Therese School takes seriously all reports of bullying.
- Upon receipt of a report of bullying the principal or his or her designee will conduct an investigation. When possible, the investigation will begin within three school days of the report of bullying.
- The school reserves the sole discretion to determine the scope and adequacy of the investigation.

- Anyone with questions about the investigation should direct those questions to the principal.

Violations

A student who violates this policy shall be subject to discipline in accordance with the St. Therese disciplinary procedures. St. Therese Catholic School retains the sole discretion to determine whether bullying has occurred and what the response should be.

Depending on the circumstances, the school's response could include:

- taking appropriate disciplinary and remedial action;
- notifying the parents or guardians of the aggressor of the determination;
- notifying the parents or guardians of the target, the aggressor, and any other affected persons about available community resources.

Training

Training on this policy will be provided for staff at least once every three years, and at the discretion of the principal, for volunteers who have significant contact with students.

Publication and Notice

The principal or his or her designee shall provide written or electronic notice of this policy to the staff. Written or electronic notice of the plan shall be provided to students and their parents or guardians, in age-appropriate terms and in languages which are most prevalent among the students, parents or guardians. This policy shall be conspicuously posted in the administrative offices of the school.

Network and Internet Acceptable Use Policy

Students at St. Therese access the internet via tablets and laptops to participate in learning activities, communicate with other students, and conduct research to meet their educational and informational needs. Even with filters in place, it is important to recognize that some information accessible via the internet may contain material that is inaccurate, defamatory or offensive.

Students Responsibilities

Students are responsible for using all forms of technology in an appropriate manner and access is contingent upon successfully meeting this responsibility. Use of these resources is a privilege, not a right. St. Therese Catholic School maintains the following standards regarding online information sources.

Parents Responsibilities

Parental permission is required for student use of technology (Network Users Agreement Form). During school hours, teachers will guide students toward appropriate online resources and sites. Students may not access personal accounts unless given permission by the supervising teacher. All student accounts created through Google for Education must be used for academic purposes only. Any inappropriate use will lead to loss of technology privileges.

Parents are expected to educate their child(ren) on the respectful use of personal technology (including but not limited to – cell phones, internet, email, etc.). Internet activity that negatively affects the learning process will be addressed by school personnel. For clear internet safety guidelines, please refer to the *netismartz* website: www.netismartz.org/Parents

Student Internet User Expectations

An internet user is not permitted to:

- reveal full name, phone number, or the home address of self or others
- violate copyright laws
- submit documents found on the internet as their own work (plagiarize)
- trespass in another's work or files
- harass, insult, bully or threaten others or use obscene language
- send, display, or download offensive messages, pictures, or material that advocates illegal activity
- send viruses or worms, illegally visit or otherwise damage computer systems or networks
- use the internet to buy or sell items
- download music, movies or videos from sites

Students should understand that St. Therese computers are school property and not private. School personnel may inspect, review and copy information on school computers at any time without notice. Violations of these standards will result in the loss of internet access and may result in other disciplinary action up to and including suspension or expulsion. The pastor, school administrator and staff will deem what behaviors are inappropriate and what disciplinary action will result.

AI Usage Policy

Artificial Intelligence (AI) is now ubiquitous in our everyday lives, and schools are no exception. St. Therese School strives to meet this new reality by educating our students about AI, its many uses, and also the challenges it poses for us as a Catholic community. While AI is a powerful and effective tool in the adult workforce, the nature of academic work is essentially different. The work students do in school is for the purpose of learning through a process, not simply producing an acceptable end result. Students learn by doing many of the steps in the processes of writing, creating a project, creating art, giving a presentation, etc. that would be missed if AI were used to accomplish these tasks. Assessments are meant to not only teach skills, but to measure a students' competency in a particular skill, not their ability to make a computer complete a task for them. As such, it is important for our school to limit the use of AI to very specific tasks, and to teach students what acceptable and unacceptable use of AI looks like.

Unacceptable use of AI looks like, but is not limited to:

- using AI to complete assignments
- generate written work
- answer assessment questions
- create projects
- substitute for original student thinking

Please read and sign the Internet Use Policy located at the end of this handbook.

Substance Abuse Policy

St. Therese Parish prohibits the use of and/or possession of any form of illegal substances, drugs and/or alcohol. This includes, but is not limited to, being under the influence of, buying, selling, giving away, or being in possession of mood altering chemicals. Illegal substances may include drugs or alcohol having the ability to substantially change a person's bodily functions and/or behavior. This provision includes all school and parish functions on or away from parish grounds, and on public and chartered transportation provided through the parish. Any student found supplying, selling or distributing substances or chemicals at school, on parish property, or during parish or school events may face expulsion from St. Therese School. Appropriate authorities will be notified.

Consequences:

First Offense:

- Substance/paraphernalia will be confiscated
- Youth will be suspended for remainder of day/event
- Youth will be released to parent/guardian only
- Readmission at a later date will require a conference with youth, parent/guardian, and principal, pastor and program administrator, and may require the following:
 - Assessment with a qualified substance abuse counselor
 - If further treatment is recommended, youth must remain in, and successfully complete the treatment program. If treatment is suspended in any way by either the youth or parent/guardian, youth will be expelled from St. Therese School

Second Offense:

- Substance/paraphernalia will be confiscated
- Youth will be released to parent/guardian only
- Youth will be immediately expelled from St. Therese School

Policy Violation by All Others

Individuals found in violation of this policy will be requested to leave the premises. He/she may also be held responsible for any legal consequences.

Tobacco Use Policy

Use of tobacco products is prohibited at St. Therese church and school facilities and the grounds immediately proximate to the school facilities. Persons under 18 years of age are prohibited from using and/or possessing any form of tobacco under State Law. This provision includes all school and parish functions on or away from parish grounds, and on public and chartered transportation provided through the parish.

Consequences for All Students and Youth:

First Offense:

- Tobacco product will be confiscated
- Parent/guardian will be notified immediately
- Youth may be suspended for remainder of day/event

Second Offense:

- Tobacco product will be confiscated
- Parent/guardian will be notified immediately
- Youth will be suspended for remainder of day/event
- Readmission at a later date will require a conference including youth, parent/guardian and principal must be held
- Youth and parent/guardian may be asked to seek appropriate counseling (school counselor, etc.)

Third Offense:

- Expulsion from St. Therese School

Weapons Policy

Weapons are objects or substances that can do physical harm to other persons or be used to inflict self-injury. Weapons include, but are not limited to the following: guns, knives, arrows, bullets, chains, any explosive materials and devices, any flammable materials, poisons, razor blades, swords, any object modified to serve as a weapon. Instruments or objects having the appearance of a weapon can also bring about injury through mistaken identity or create reactions which have the same or similar affect as though the object was real. Examples include, but are not limited to, toy weapons or objects that are a facsimile of real weapons.

All weapons or instruments which have the appearance of a weapon are prohibited within all school environments and the school zone, except for educational purposes and under adult control as authorized in advance by the school principal.

- This prohibition applies to all parish building and grounds, and within all parish-owned land or “contracted” vehicles.
- School zone is defined within U.S. Code Chapter 44 - Firearms, as amended in 1990 by the “Gun Free School Zone Act” section 921, 922 and 924: “It shall be unlawful for any individual knowingly to possess a firearm at a place that the individual knows, or has reasonable cause to believe, is a school zone.” The term ‘school zone’ means:
 - In or on the grounds of a public, parochial or private school
 - Within distance of 1000 feet from the grounds of a public, parochial or private school
 - Moreover, this prohibition applies to school sponsored activities, i.e., field trips, wherever they occur

Consequences

Students violating provisions of this policy will be disciplined as follows:

- Police will be called as appropriate
- The weapon or object will be confiscated
- Disciplinary actions may include:
 - Suspension from school
 - Expulsion from school
 - Other disciplinary actions deemed appropriate by the administrator

SECTION 5: COMMUNICATION

Principal's Newsletter

Each Monday, families receive an electronic version of this school-wide newsletter, which contains news and information regarding St. Therese Parish and School. Announcements about school and parish events, fundraisers, calendar changes and other important information are included. STS uses this email communication as a primary means for communicating with families during the year, so please be sure to read the newsletter each week.

Classroom Newsletters

Elementary teachers send out regular classroom newsletters to help keep parents apprised of what is happening in the classroom. Teachers will let you know their plans for communicating with you at the Parent Night held in September.

The Middle School teachers send out a weekly newsletter with important information including assignment due dates, upcoming assignments and tests, and any events/activities coming up for the Middle School students and families.

TADS Educate

Educate is a web-based school record management system. Through Educate, parents of students in grades 4-8 have access to student progress, including grades and assignment completion. Please contact the school Administrative Assistant for information regarding account passwords.

<https://educate.tads.com/educate>

Facebook, Instagram, and other forms of social media

Social media outlets are used to reach out to our community. Social media may be used to share events, reminders, and important information. During the TADS enrollment process parents have the opportunity to decide if photos of their child/ren may or may not be used for communication or marketing purposes. Great care is taken to protect the identity of our students. These sites are monitored by a teacher, a parent, and our marketing coordinator.

One Call Now

One Call Now is an automated calling system that allows the school to send important messages regarding school closings or other important information quickly. All families should update their emergency contact phone numbers when enrolling for the new school year through TADS.

Curriculum Night

There are two curriculum nights held just after the school year starts, one for the parents of elementary students and one for the parents of Middle School students. This is a parent-only night to meet your child's teachers and advisors and discuss goals for the upcoming school year. Parents are encouraged to attend this event.

Contacting Teachers

If, for any reason, you need to contact your student's teacher, email is the easiest way to do this. The teacher is the first line of communication regarding your child. If a parent is concerned about a particular problem in the classroom, they are to call and/or arrange for a mutually convenient time to meet with the teacher. The parent is asked to first bring concerns to the attention of the classroom teacher or specialist (art, music, library, computer, Spanish, physical education). As a second step, the principal is notified.

SECTION 6:

HEALTH & WELLNESS POLICIES & PROCEDURES

Health Policies

Health Care

Health care for students is provided on a limited basis on-site by a health paraprofessional through the Minnetonka School District.

Health Records

Records are maintained for each student. These records contain vision, hearing, and scoliosis screening results, as well as findings obtained from health inspections and examinations. Health examinations are required upon entrance to school. It is important to follow up with your family physician with any concerns identified by our observations or screenings.

Immunizations

Immunizations protect children from diseases for which protection is available. According to state law, students may not attend school without written proof of required immunizations or by signing a form stating the parents' decision to opt out for medical reasons.

Medications

Medications are to be dispensed at home whenever possible. If necessary, medications, both prescription and nonprescription, can be dispensed at school by the school nurse or office personnel only with a written note from the student's doctor and parent. **All medications must be kept in the school office. Students are not allowed to have medication on their person at any time.** All prescriptions must be in the original container with the name of the medication, dosage, date, child's name, and doctor's name. All pharmacists know this law, and will make duplicate containers available if necessary.

Over-the-counter medications must be in proper containers and have a note from the student's parent. No over-the-counter drugs are available at school for distribution. In accordance with the guidelines, only parents, not students, may bring in the medication, and they must fill out the Over the Counter Medication Request Form (see below under Health Care Forms). Students are not allowed to have medication on their person at any time.

Students Who Become Ill during School

When students become ill during the school day they are sent to the health office and monitored at all times they are in the office. No child is ever sent home from school during the day without the permission of the health para. A parent or guardian is called to pick up the child when warranted by the illness.

Student Ill at Home and Unable to Go to School

Parents are to email the school nurse and homeroom teacher/advisor each day to report their student's illness explaining the student's symptoms. If appropriate, a doctor's note should be sent with the student upon his/her return to school.

Returning to School after Illness

The following guidelines are applied:

- If a student has had a fever of 100 degrees or more, the student must stay home for 24 hours after the temperature returns to normal, with no fever reducing medications.
- If a student has vomited or had diarrhea, the student should stay home until 24 hours after the last episode.
- If a student has any rash that may be disease-related or if the cause is unknown, the parent should check with the family physician before sending the student to school. Please obtain a note from the medical provider before returning.
- If a student has had a throat culture, the student should not return to school until a negative result has been confirmed by the doctor's office, or, if a positive result has been confirmed, 12 hours after medication is started.

Elevator/Lift Use

If for medical or physical reasons a student needs to use the elevator and/or lift, a written note, signed by the parent and a doctor, stating the reason and length of time required, is needed.

In the Event of Sudden Illness or Minor Accidents

If a student has a sudden illness or minor accident in school, the parent or guardian will be contacted. If the parent or guardian is not available, the emergency contacts will be called in the order listed. It is essential that you enter emergency information into your TADS account.

In the Event of a Serious Medical Emergency

If a student has a serious medical emergency at school, life-saving measures will be instituted immediately. If the child's condition permits, the appropriate physician will be called for instructions. If immediate medical attention is indicated, the community rescue squad or ambulance will be called for emergency care at Children's Hospital or, if medically feasible, the hospital of choice. Such procedures will be reserved for extreme emergency situations and the parent or guardian will be called as soon as possible.

Chronic Illnesses

When a student has a chronic or potentially life-threatening condition (such as asthma, severe allergies, diabetes, or seizures), it is essential that parents, the student, and the school nurse work together to develop a plan that addresses the student's specific health needs. This health information will be shared with relevant school staff as necessary, while maintaining confidentiality.

Emergency Care Plan forms must be completed and signed by the student's physician. If your physician or clinic does not have a standard care plan format, we have provided suggested forms below. For other health conditions not listed, please contact the licensed school nurse in your student's building.

Wellness Policy

Lunch Program

All students must eat lunch. Students may receive a hot lunch or bring a cold lunch from home. St. Therese School offers a free hot lunch to students every day. A menu is posted on the school website and can be found in the Principal's weekly newsletter. Meals meet or exceed federal nutrition guidelines and St. Therese strives to provide child-friendly meals that are both nutritious and tasty. Second helpings for \$2.50 per order.

Eligible families may request Federal Free and Reduced Lunch forms from the school office on a yearly basis. Each student has a lunch card. When a student purchases milk or seconds he/she scans their card and the correct amount is deducted from their account. When the account balance is low, a statement will be sent via email as a reminder to send more funds. No child will be denied food due to a negative balance, but parents are expected to add funds in a timely fashion.

Parents are welcome to have lunch with their child on special occasions, i.e. birthdays, etc. Parents can purchase the school's lunch of the day or provide a lunch from home. Please call the office by 10:00am if you would like to have the hot lunch. ***Pop and fast food brought from outside vendors is not allowed in the cafeteria because we try to encourage a healthy lunch for the children.***

Bike Riding

Students are allowed to ride their bikes alone in grades 4-8, weather permitting. Students younger than 4th grade can bike with riders 4th grade or older and/or parents. **Helmets MUST BE worn by both students and parents.**

Bike riders should not arrive at school before 7:15 am or leave school later than 2:30 pm. Bikes are not allowed if it's raining, snowing, or if there is snow on the ground. Students who do not follow these guidelines may lose their bike-riding privilege.

Guiding Principles Regarding Human Sexuality and Sexual Identity

(Adopted from the MN Catholic Conference)

Purpose:

St. Therese Catholic School is committed to providing a safe environment that allows students to flourish academically, physically, and spiritually. We are obliged to provide an education and resources consistent with Catholic teaching. The starting point for Catholic education is a deeply held understanding that affirms the God-given irrevocable dignity of every human person.

Catholic teaching permeates and shapes the ethos of Catholic schools. The following Guiding Principles shall inform the creation of policies, handbooks, statements, employee agreements, and training for employees.

- God created each person body and soul "in His own image, in the image of God he created them; male and female he created them" (Gen. 1:27). The dignity of each person and the source of his or her most important identity is found in this creation in the image and likeness of God (CCC §364).

- God uses the body to reveal to each person his or her sexual identity as male or female. A person's embrace of his or her God-given sexual identity is an essential part of living a fulfilled relationship with God, with oneself, and with each other (*Laudato Si* §155).
- The harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul in the image and likeness of God (*CCC* §364-65).
- The physical, moral, and spiritual differences between men and women are equal and complementary. The flourishing of family life and society depends in part on how this complementarity and equality are lived out (*CCC* §2333-34).
- All students and families deserve interactions with Catholic school communities that are marked by respect, charity, and the truth about human dignity and God's love (*Deus Caritas Est* §20).

Application of Guiding Principles:

St. Therese Catholic School will relate to each student in a way that is respectful of and consistent with each student's **God-given sexual identity** and **biological sex**. To this end, below are some examples of how these Guiding Principles apply at St. Therese Catholic School.

1. All school policies, procedures, resources, employee training, and assistance given to families will be consistent with the Church's teaching on the dignity of the human person, including human sexuality. Reflective of a commitment to a culture of transparency and understanding, these policies will be made available in relevant handbooks, agreements, and statements.
2. Student's name and pronoun usage will correspond to his or her biological sex.
3. Student access to facilities and overnight accommodations will align with his or her biological sex.
4. Eligibility for single-sex curricular and extracurricular activities will be based on the child's biological sex.
5. Expressions of a student's sexual identity are prohibited when they contradict or cause disruption or confusion about the Church's teaching on human sexuality.
6. Students who attend and employees who work at a Catholic school can expect that the school acknowledges that God has created each person as a unity of body and soul, as male or female, and that God-designated sexual expression and behavior must be exclusively oriented to love and life in marriage between one man and one woman.
7. Schools will communicate with parents or guardians about their child's behavior at school and inform them of any concerns relating to the physical, emotional, social, and spiritual health, safety, or welfare of their child, except when advised otherwise by law enforcement or a social service agency.

Definitions

1. **Biological sex** refers to a person's biology as male or female based upon physical characteristics present at birth.
2. **God-given sexual identity** refers to a person's identity as male or female that is congruent with one's biological sex at birth.

SECTION 7:

SAFETY & WELFARE POLICIES

Entry and Security Information

The school strives to have a safe and secure environment and will use secured entrances, cameras and other screening procedures. Visitors may be asked to present proper identification before access to the building is granted. All volunteers must be qualified through completing the Essential 3.

School Security Cameras

At St. Therese, we take the privacy and safety of all students very seriously. While surveillance cameras are in place to ensure the security of our school, please note that any footage captured of incidents will not be shared with parents. This policy is in place to protect the privacy of all students involved. We will, however, investigate any concerns and address situations in a way that ensures a fair and safe environment for all.

Emergencies – Crisis Management Plan

During the course of any school year, emergencies may arise. St. Therese prepares for possible emergencies by anticipating inclement weather conditions, practicing evacuation and relocation drills, and keeping emergency contact information up to date.

Teachers and staff are expected to maintain order and quiet throughout drills and during actual emergencies. All staff supervising students at the time of the drill or evacuation must carry a class roster with them to check attendance.

Any emergencies that arise at St. Therese School and that compromise the safety and/or health of the students and/or employees will be seriously evaluated. In these situations, the closing of the school shall be the decision of the administration. In these unique emergencies, all possible efforts shall be made to notify the students' parents/guardians as soon as possible.

Emergency Procedure Manuals and Route Maps are located in all rooms.

Emergency School Closings

St. Therese School will follow Minnetonka School District #276 policies on school closing for all activities related to weather conditions. The school will notify parents through email and our One Call Now system. At no time will a child be released or placed on a bus, unless St. Therese School has contacted either a parent/guardian or person listed on the student's Emergency Information Card. If this cannot be completed, the child will remain under school supervision.

Communication When Outdoors

Outside supervisors and school staff must have a way to communicate when students are outdoors. During recess, the supervisor must carry the school two-way radio (located in the school office). If a teacher takes students outside, he or she must notify the school office and take the two-way radio. When leaving campus, teachers will carry their personal cell phones and leave the numbers with school office personnel

Safety Support and Advice

The Deephaaven Police Department, the Minnetonka Fire Department, and Catholic Mutual insurance are dedicated partners in keeping our students safe. Each is quick to respond any time we request help, and each has an important voice in decisions regarding safety, crisis management and procedures.

Emergency Procedure – Fire, Tornado and Crisis Management

All staff must be familiar with the information in the red Emergency Preparedness Procedures manual and will keep it in an accessible spot in each classroom or office area. Fire, Tornado, and Crisis Management drills are conducted regularly at school. During these drills, staff and students practice proper safety procedures.

Fire Drills are held throughout the year. The following rules must be strictly adhered to for all fire drills:

- When the fire bell sounds, all occupants immediately leave the room and follow the posted route. Be prepared to change routes if necessary. The appointed monitor closes all open classroom windows and hallway doors. Teachers must take red, green and blue signal cards with them.
- Students are to observe strict silence while leaving and entering the building.
- The teacher leads the classroom out of the building.
- Once outside, the teacher takes attendance of his/her class. A green card will be held up if all students are accounted for, a red card if a student's location is unknown, or blue card if an additional student not assigned to the classroom is with the class.
- Students and teachers remain outside the building until the outside bell (the all-clear signal) sounds.

Tornado Drills are held throughout the year:

- When a tornado warning is issued, students and adults proceed to the designated location (map is posted in classroom) face the wall and assume a kneeling position, with heads down, and hands covering their head.
- Teachers are to close classroom windows and doors.
- Once in the designated location, the teacher takes attendance.
- Students and staff remain in the hallway until given direction to return to the classroom.

Crisis Drills

- **Lockdown Drills** are held throughout the year to prepare for unexpected incidents.
- **Lockdown with Warning** will occur when there is a threat outside the building or there are non-threatening circumstances that people need to avoid, such as a medical emergency.
- **Lockdown with Intruder** will occur when there is a threat or intruder in the building.
- **Reverse Lockdown** will occur when students are outside and need to return to the building due to an outdoor threat. Outdoor supervisors will instruct students to return to their classrooms, or to a common place inside the building.

Emergency Relocation will occur if students need to move from one area of the building to another (i.e., chemical spill in the school kitchen – all students move to community room), or off campus.

Reunification Site – If a building evacuation is necessary, students and staff will relocate to Deephaven Woods Senior Living. Deephaven Woods is located across the parking lot, towards the east side of campus. If returning to the school building is not an option, parents will be sent directions for student pick-up at Deephaven Woods.

If a campus evacuation is necessary, students and staff will relocate to Calvary Church. Calvary is located at 18360 Minnetonka Blvd, one block southwest of St. Therese School. (Exit the west side of our building, cross Minnetonka Blvd, follow the path to the left.) If returning to campus is not an option, parents will be sent directions for student pick-up at Calvary.

Lockdown Guidelines - Recent research tells us that teachers and supervisors should use their best judgment in situations involving an intruder or other dangers and act just as they would to protect and shelter loved ones. The following steps are *guidelines* for drills:

- Throughout the school day, teachers are expected to keep classroom doors locked at all times and carry keys for re-entry.
- Students and staff will be informed by intercom that “this is a lockdown with warning” or “lockdown with intruder” or “intruder in the building”.
- Teachers will close doors and move students away from classroom doors and windows. If possible, draw window shades or close blinds.
- Teachers stay in classrooms, protect students, and follow instructions of principal. If safe to do so, teachers email office administrator. Teachers will slide green indicator sign under the door to indicate that all students are accounted for.
- Classes being held outside during the time of the lockdown will go to designated safe area (neighborhood on east side of building or church on north side). Staff members carry two-way radios when outside; physical education teacher carries cell phone. If threat is outside, students will be brought into the building.
- Students, staff and visitors will be cleared from the hallway immediately and told to report to the nearest classroom.
- *Run – hide – fight strategies should be implemented based on the situation.*

Active Shooter Emergency Response – Catholic Mutual

Please be advised, in an effort to provide more detailed assistance to our members with preparing and responding to an active shooter situation, in addition to the following, Catholic Mutual has completed training videos on this subject. The videos are available at www.CMGconnect.org under School Safety Curriculum. We cannot overemphasize the importance of viewing these online courses as part of your Active Shooter Emergency Preparedness and Response Plan.

Active Shooter - Call 911 as soon as it is safe to do so.

Provide as much of the following information as possible:

- Number of shooters
- Location of shooters
- Physical description of shooters
- Number of victims and potential victims
- Types of weapons held by shooter

Run – Hide – Fight

Run - If you can safely evacuate the area, do so.

- Have an escape route and plan.
- Leave your belongings behind.
- Keep your hands visible.
- When law enforcement arrives, their first priority will be containing the shooter, not helping the victims. Do not stop officers to ask for help or direction when evacuating. Evacuate the premises as quickly as it is safe to do so.
- Remain quiet and calm.
- Follow instructions if given.

Hide – If you are unable to leave the area safely, hide.

- Hide in an area out of the shooter's view. Give critical priority to areas you can best secure.
- Block entry into your hiding place.
- Lock the doors if possible.
- Move objects in front of doors if possible.
- Silence cell phones.
- Remain in place until released by a law enforcement officer.

Fight – If unable to leave the area or hide, take action as a last resort.

- Attempt to incapacitate the shooter.
- Act with physical aggression.
- Look for items to throw at the shooter or to use in an attack.

Policy on Prevention of Sexual Misconduct and Child Abuse

St. Therese Catholic School is committed to maintaining an environment in which all individuals treat each other with dignity and respect. It is the policy of St. Therese to maintain learning, volunteering, and working environment free from sexual harassment, sexual violence, intimidation, exploitation or child abuse. St. Therese prohibits any form of sexual harassment, violence or abuse. It is a violation of the policy for any student, employee or volunteer to show sexual aggression/violence, advancements or abuse toward a student, employee or volunteer through conduct or communication of a sexual nature as defined by this policy in accordance with Minnesota Statute 363.01-363.14, the Human Rights Act and Section 703 of Title VII of the Civil Rights Act of 1964, as amended, 42 u.s.c.2000e, et., Seq. All reports of sexual or child abuse will be investigated and reported to authorities accordingly.

- **Virtus Training & Essential 3** - The Archdiocese of St. Paul and Minneapolis requires all school employees, coaches and volunteers to participate in Virtus Training and the Essential 3. The school will certify participation online once the person has completed the Essential 3. Volunteers will not be allowed to work in the building, supervise field trips, parties, or coach teams until the Essential 3 has been completed.
- **Mandatory Reporting** - Minnesota state law requires educators to report physical abuse, sexual abuse, or neglect of children to authorities. Any teacher, administrator, health professional or counselor who knows, or has reason to believe, that a child is being neglected or abused must report this to the appropriate authorities.
- *The school is required by the Archdiocese to teach grade/age appropriate curriculum related to safety.*

SECTION 8: UNIFORM & PERSONAL APPEARANCE

Purpose

To ensure that students are able to stay focused on their academic, spiritual, moral and social growth, standards of behavior and dress have been established at St. Therese School. Students are asked to observe a standard of dress appropriate for a Christian learning environment and are expected to come to school appropriately dressed and groomed. In doing so, students practice self-discipline, while not distracting themselves or others.

Please Note Students will not be admitted to class unless they are in the school uniform or present a valid non-uniform pass (Passes may only be used on Fridays). Students are allowed to be out of uniform on their birthdays.

Consequences for Inappropriate Attire – Student reports to office to borrow a uniform or to call home for missing elements (belts, socks, etc.). This causes a disruption to the entire class, so the student will be asked to make up lost class time either during recess or after school.

General Uniform Requirements:

ALL GRADES:

- **Sweatshirts:** St. Therese/Northstar logo sweatshirts that are solid navy or heather gray. Any sweatshirt sold on the Spirit Wear Shop for students is uniform approved. **Sweaters preferred on Mass days, but STS sweatshirts are okay.**
- **Socks:** Socks must be worn daily and show above the shoes. No distracting or distasteful designs.
- **Shoes:** Students may wear athletic shoes or solid brown, navy or black dress shoes, closed-toe and full back, with no more than 1 inch heel. **Socks must be worn with ALL shoes. No slippers. No boots: Ugg-style, riding, or Wellies-style; no light-up shoes, shoes with wheels, Crocs-style or sandals.**

Girls K-3rd:

- **Jumper:** STS plaid, knee-length (logo not necessary on jumper)
- **Blouse/Shirt:** White Peter Pan collar blouse; white or dark green, short or long-sleeve polo, with STS logo; white long-sleeve T-neck. *Shirts must be tucked in at Mass and all polos must have the St. Therese logo.*
- **Pants:** Full-length navy, pleated or flat front, neat and intact without fraying. No cargo-style, yoga-style, jogger, or low waist slacks allowed. No sweatpants/athletic stretch material.
- **Leggings:** Must be **solid navy or black** full-length, straight leg. No flared, wide-leg or ¾-length, Capri-style leggings permitted. Leggings may only be worn under jumpers and skirts/skorts.
- **Shorts/Skorts:** Solid navy, knee-length – *Shorts not allowed between November 1 and March 31.*
- **Bike Shorts:** Solid navy or black to be worn under jumper and navy skirts only.
- **Sweater:** Solid navy, unadorned cardigan, V-neck, crew or V-neck vest style.
- **Tights:** Solid opaque, white, black or navy only.

- **Make-up, Nail Polish and Jewelry:** No make-up is allowed. Nails should be modest and of inconspicuous nature. **No excessive or distracting jewelry is permitted.**

Girls' 4th & 5th:

- **Skirt:** STS plaid, worn just above the knee (**no more than 3 inches**).
- **Blouse/Shirt:** White Peter Pan collar blouse; white or dark green, short or long-sleeve polo, with STS logo; white long-sleeve T-neck. *Shirts must be tucked in at Mass and all polos must have the St. Therese logo.*
- **Pants:** Full-length navy, pleated or flat front, neat and intact without fraying. No cargo-style, yoga-style, jogger, or low waist slacks allowed. No sweatpants/athletic stretch material.
- **Leggings:** Must be **solid navy or black** full-length, straight leg. No flared, wide-leg or ¾-length, Capri-style leggings permitted. Leggings may only be worn under jumpers and skirts/skorts.
- **Shorts/Skorts:** Solid navy or STS plaid, knee-length – *Shorts not allowed between November 1 and March 31.*
- **Bike Shorts:** Solid navy or black to be worn under jumper and navy skirts only.
- **Sweater:** Solid navy, unadorned cardigan, V-neck, crew or V-neck vest style.
- **Tights:** Solid opaque, white, black or navy only.
- **Make-up, Nail Polish and Jewelry:** Should be modest and of inconspicuous nature. **No excessive or distracting jewelry is permitted.**

Girls 6th – 8th:

- **Skirt:** STS plaid, worn just above the knee (**no more than 3 inches**).
- **Blouse/Shirt:** White Peter Pan collar blouse; white or light blue, short or long-sleeve polo, with STS logo; white long-sleeve T-neck. *Shirts must be tucked in at Mass and all polos must have the St. Therese logo.*
- **Pants:** Full-length navy, pleated or flat front, neat and intact without fraying. No cargo-style, yoga-style, jogger, or low waist slacks allowed. No sweatpants/athletic stretch material.
- **Leggings:** Must be **solid navy or black** full-length, straight leg. No flared, wide-leg or ¾-length, Capri-style leggings permitted. Leggings may only be worn under jumpers and skirts/skorts.
- **Shorts/Skorts:** Solid navy or STS plaid, knee-length – *Shorts not allowed between November 1 and March 31. No shorts on Mass days.*
- **Bike Shorts:** Solid navy or black to be worn under jumper and navy skirts only.
- **Sweater:** Solid navy, unadorned cardigan, V-neck, crew or V-neck vest style.
- **Tights:** Solid opaque, white, black or navy only.
- **Make-up, Nail Polish and Jewelry:** Should be modest and of inconspicuous nature. No excessive or distracting jewelry is permitted.
- Blazers must be worn at Mass and other noted special occasions with light blue or white polo only underneath.

Boys K-5th:

- **Pants:** Full-length navy pleated or flat front, neat and intact without fraying. No cargo-style, yoga-style, jogger, or low waist slacks allowed. No sweatpants/athletic stretch material. One size above true is acceptable.

- **Shirt:** White or dark green, short or long-sleeved polo, plain or with STS logo, white oxford collar shirt; or white long-sleeve T-neck. *Shirt must be tucked in at Mass and all polos must have the St. Therese logo.*
- **Shorts:** Solid navy walking short, modest length with no undergarments showing – *Not allowed between November 1 - March 31.*
Sweaters: Solid navy unadorned or STS logo cardigan, V-neck crew or V-neck vest style.

Boys 6th – 8th:

- **Pants:** Full-length navy pleated or flat front, neat and intact without fraying. No cargo-style, yoga-style, jogger, or low waist slacks allowed. No sweatpants/athletic stretch material. One size above true is acceptable.
- **Shirt:** White or light blue, short or long-sleeved polo, plain or with STS logo, white oxford collar shirt; or white long-sleeve T-neck. *Shirt must be tucked in at Mass and all polos must have the St. Therese logo.*
- **Shorts:** Solid navy walking short, modest length with no undergarments showing – *Not allowed between November 1 - March 31. No shorts on Mass days.*
Sweaters: Solid navy unadorned or STS logo cardigan, V-neck crew or V-neck vest style.
- **Blazers must be worn at Mass and other noted special occasions with light blue or white polo only underneath.**

General

Clothing, accessories, hairstyles, hair color, etc. that causes distraction will not be permitted. All clothing should have a reasonable and modest fit. No face/body glitter or decorations or body-piercing, other than ears. **No excessive or distracting jewelry is permitted.**

Hair: should be well groomed and neat in appearance; no distracting designs, cuts or unnatural colors. For girls, hair must be well kept, combed and off the face. Boys must keep hair off the face, above the ears and eyebrows, and no longer than the top of the shirt collar.

Outerwear: All jackets or non-uniform sweatshirts worn to school or at recess must be removed prior to entering the classroom.

Non-Uniform Passes: are issued for special accomplishments and in recognition of special events. They are to be used on Fridays ONLY, and students must present the pass to his/her homeroom teacher or advisor. Students are expected to observe acceptable standards of modesty when selecting clothes for non-uniform days. Yoga pants are not allowed. Leggings must be worn under dresses or knee-length tops. Shorts may not be worn between November 1 - March 31. Clothing should be neat and presentable. Sweatpants, wind pants or flannel pants purchased through St. Therese *with* the St. Therese logo are permitted.

Spirit Wear: Spirit Wear days will be the following Fridays (Sept. 5, Oct. 3, Nov. 14, Dec. 5, Jan. 9, Feb. 6, March 13, April 10, May 1). Students may wear regular uniform on the bottom, with St. Therese Spirit Wear on top. Sweatpants, shorts, wind pants or flannel pants purchased through St. Therese Spirit Wear Shop *with* the St. Therese logo are permitted.

Label all your child's clothing with his/her family name.

The NEW and Gently Used Uniform Store is open 2 weeks before the start of school and during conference times. This is staffed entirely by a volunteer, and it provides a cost-effective way for families to recycle gently used uniforms. Parents wishing to sell used uniform items may drop off their *freshly laundered* items, clearly labeled with the family's name, in the school office. The NEW and Gently Used Uniform Store does not deal in non-uniform items, shoes, boots, coats, etc. *Profits received from donated clothing will be added to the Father Shea Scholarship Fund for tuition assistance.*

SECTION 9: OPPORTUNITIES FOR FAMILY INVOLVEMENT

“Who is a Christian Steward? One who receives God’s gifts gratefully, cherishes and tends them in a responsible and accountable manner; shares them in justice and love with others, and returns them with increase to the Lord.” – *Stewardship: A Disciple’s Response, USCCB (2003)*

Parent Association

The mission of the Parent Association (PA) is to promote communication, cooperation, school spirit and goodwill among parents, faculty, administration, and the parish. This group of parents directs and coordinates support for the school through volunteerism, social functions, and fundraising. Throughout the year, the PA coordinates and/or assists in coordinating many special events. All parents are asked to volunteer as often as possible. Each family pays a PA dues of \$25 per year, which is used to help support the various events. All parents are invited to attend PA meetings, and the schedule of meetings is published in the weekly newsletter and on the school website.

The School Advisory Committee (SAC)

SAC advises the pastor and principal in matters concerning the school, its policies, and procedures. SAC members are asked by the principal to serve as representatives of the larger school community.

Mentor Family Program

New families at St. Therese School are paired with a mentor family. The mentor family helps to answer questions, share information regarding upcoming school events, and provides a personal welcome to the STS community. Just prior to the beginning of the school year, the Parent Association Committee sponsors a dinner for new and mentor families.

Catholic Schools Week

Catholic schools week is an opportunity to reflect on, and celebrate, the many educational and spiritual benefits of a Catholic education. At St. Therese, we may start the week with an Open House at the weekend Masses. Current and prospective families are invited to meet teachers, staff, and parents, see what our students have accomplished, and take a look at what is happening in all the grades at our school. Throughout the week, a number of events are scheduled, including student service projects and an all-family picnic. Traditionally, Catholic Schools Week begins the last Sunday in January.

Grandparents Day

A day for St. Therese grandparents and/or special guests to come to campus for a morning of fun and fellowship. The agenda includes Mass, refreshments, and fun activities.

Volunteering

Through our Volunteer Program, parents work side-by-side, develop friendships, and strengthen our community. Again, this year, school families are required to fulfill at least one volunteer shift per school year. We understand many of our families work full-time outside the home, so there are a variety of opportunities for evenings, weekend, and special-projects jobs. As you look through the various

opportunities, please note the date has been listed for each. Specific times and tasks will be assigned once "teams" are formed. Lastly, this is an evolving list. New volunteer opportunities will be added throughout the year, as needs arise.

PLEASE NOTE: Families may choose to opt-out of their volunteer obligation and pay the opt-out fee of \$500. Any family unable to fulfill their service obligation must pay the fee through [this form](#).

Additional Volunteer Programs

Volunteer programs operate under the direction and supervision of the principal and staff of St. Therese School. In alignment with an Archdiocesan directive, all adults who have contact with children at St. Therese Parish and School must complete a background check, sign a code of conduct and attend VIRTUS training. Those who completed VIRTUS training before 2013 must complete a 25 minute online training video. Please go to www.virtus.org, search for your account or, if you are new to VIRTUS, create an account. You can reach the VIRTUS helpdesk at helpdesk@virtus.org or call 1-888-847-8870.

Volunteer requests are announced throughout the year.

Financial Support

We are grateful for the many things our families and community members do to help us live out our school mission. In addition to our annual fundraisers, there are many ways to help support St. Therese School financially. The *Fair Share* program is designed to help defray the difference between the actual cost of educating a student and tuition. The *Fr. Shea Fund* provides tuition assistance to those in need. Many companies offer *matching grant programs*, so please check with your place of employment to see if this option is available. The *Carol Groetsch Educational Fund* provides funds for our faculty to participate in professional development opportunities. Please contact the school principal for more information on these and other opportunities.

SCRIP

Purchasing scrip is a terrific way to raise funds for our school while you shop. We depend on revenue from the Scrip program to meet our school budget. When you purchase SCRIP gift cards to various retailers, a portion of your purchase price is automatically credited to the Father Shea scholarship fund. You can purchase Scrip cards at the front office.

SECTION 10: MISCELLANEOUS GENERAL INFORMATION

Birthday Celebrations

Students are welcome to share their birthday with their class. If parents choose to send treats to school, they are to be store bought. Please do not send gum (including candy that contains gum, i.e. Blowpops) or pop for classroom treats. We have students with life-threatening allergies, so please contact the health para prior to selecting treats if you have any questions.

Bus Transportation

Bus riders are escorted to their buses by faculty members. Busing is provided to children living in the Minnetonka Public School District. Please contact the school office for more information regarding routes and registration. Bus safety programs are required annually to make sure students are aware of rules and regulations of school bus ridership. Failure to follow the rules and regulations can result in the loss of this service. Evacuation drills and training classes are held each year. In the event of unsafe driving conditions, the bus drivers are expected to stop in place, return to the school, or request help from the school. In each case, communication with parents will occur as soon as possible.

Electronics

St. Therese School prohibits the use of unauthorized electronic devices (including cell phones, Smart watches, iPads, etc.). Devices being used during school hours will be confiscated. Parents must retrieve the item from the school principal. St. Therese School is not responsible for lost, stolen or damaged items.

Fundraising

Fundraising is an important aspect of the fiscal management of St. Therese School. All major fundraising activities and associated expenses are included in Parish Budget and coordinated through the Finance Council. All fundraising must have the prior approval of the principal. Adult supervision is required for any student fundraiser.

Lockers

Lockers are used by students in grades 4-8. It is understood that the lockers remain the property of the school and that students are expected to keep their locker in a clean and orderly fashion. Locker combinations are changed each year for Middle School students and lockers/combinations are assigned at the start of the school year.

Lost and Found

Students should check the lost and found box if something is missing. This box is cleaned out regularly and unclaimed items are donated to a charity or to the Used Uniform Store.

Mission and Culture Framework Review

In collaboration with the School Advisory Council, the pastor and principal will engage all stakeholders in a review of the mission statement, philosophy and overall culture framework every five years or less.

Party Invitations may not be distributed at school.

Recess

Students who are well enough to be in school are expected to participate in outside recess. Proper winter clothing is required, i.e., hats, mittens, snow pants and boots. If inclement weather or severe temperatures warrant, recess will be moved indoors and faculty are then responsible for the students in the classroom.

Valuables

The school assumes no responsibility for lost money that a student brings to school. Students are strongly discouraged from bringing valuable items to school. St. Therese School is not responsible for lost, stolen or damaged items.

Website

St. Therese's web page on the internet is: www.st-therese.school The website contains valuable information, school forms, teachers' pages, recent editions of the weekly newsletter, and the education portal for checking individual student progress.

Field Trips

If a child is unable to attend a field trip, for any reason, a refund for the field trip fee will not be given.

St. Therese School
Network Users Agreement Form
2025-2026

Network access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the Network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical, and legal utilization of the network resources. If a St. Therese School user violates any of these provisions, his or her access will be terminated and future access could be denied. The signature(s) at the end of this document is (are) legally binding and indicates the party (parties) who sign(ed) has (have) read the terms and conditions carefully and understand(s) their significance.

Student Name/s: _____	Grade: _____
_____	Grade: _____
_____	Grade: _____
_____	Grade: _____

☐ Yes, as the parent/guardian of this student, I have read the St. Therese School Network and Internet Acceptable Use Guidelines and I will help my student abide by them. I understand that this access is designed for educational purposes. I understand I could request alternative activities that would not require Network use, but I do not wish to do so. I understand that it is possible for students to purchase goods via the Network that could result in unwanted financial obligations. I accept full responsibility for supervision if and when my child's use is not in a school setting and I hereby give my permission for my student to have Network access. I understand that any violation of the policies and guidelines is unethical and may constitute a criminal offense. Should my child/ren commit any violation, their access privileges may be revoked and disciplinary action and/or appropriate legal action may be taken.

☐ No, as the parent/guardian of this student, I do not want my student to have Network access or engage in activities which require the use of the Network.
